Mint of the United States at Philadelphia, Pa.,

ENGRAVER'S DEPARTMENT,

2nd Sept, 1887.

Sir

All needed repairs in this Department can be made by my own force of workmen. The portable forge used in this Department is past repairing, I therefore will require a new one, the cost of which is twenty five dollars ($25.00). I have the honor to make a requisition for the same

Very respectfully

Chas. E. Barber
